

DANISH Transport Standard

- Rejections can happen even *after* washing and disinfection
- Remember always to go out of Denmark after rejection
- Storerooms: Drivers are doing a good job – remember *always* to remove all items that need to be disinfected
- Remember to remove biofilm from the vehicles
- Please inform about the correct cargo (pigs or cattle) for next loading
- Please inform the CHR number of the next loading place, rather than the address

**Take me home
and give me to
your drivers**
